29 August 2025

HIGHLIGHTS

- "Side-by-side" G7 agreement with US
 - 28 countries criticise agreement
- Sky High case from India
 - MLI and PPT

HAPPY FRIDAY!

Trump "fires" Lisa Cook; Travis gives Taylor a ring; and Australia gives Iran a red card!

Meanwhile, in the tax world...

Peace breaks out between **Canada** and the **US**; the **Indian** tax authorities are hoist **Sky High** with their own petard; countries claim MFN status for **CBAM**; **Luxembourg** carves out; **Romania** hears the **BEAT**; and **Chile** goes green!

But the most important questions this week are: "Have you ever drunk beer brewed by robots? How do you know?"

Have a great weekend!

Steve

INTERNATIONAL TAX QUIZ

THIS WEEK'S NEW QUIZ

XCo, located in jurisdiction X, is the UPE of an MNE Group.

XCo directly or indirectly owns Controlling Interests in two subsidiary companies: YCo and ZCo, respectively located in jurisdictions Y and Z.

XCo, YCo and ZCo are the only Constituent Entities in the MNE Group.

XCo has a direct 80% Ownership Interest in YCo and third parties own the remaining 40%.

XCo has a direct 50% Ownership Interest in ZCo and YCo directly owns the other 50%.

The Ownership Interests of YCo and ZCo are ordinary common shares that carry an equal right to profit distributions and capital.

For the relevant year, ZCo has Top-up Tax of \$1 million.

Based on these facts, what is the IIR tax liability of: (1) XCo; and (2) YCo?

Answer in next ITB email alert on 12 September 2025!
