INTERNATIONAL TAX QUIZ

THIS WEEK'S NEW QUIZ

An MNE Group has Net GloBE Income of 22,000 in Jurisdiction X. This includes 2,000 of Qualified Refundable Tax Credits (QRTCs) which are expenditure-based and meet the definition of a Qualified Tax Incentive (QTI). The MNE Group's pre-credit tax liability is 3,000 but this is reduced by the 2,000 of QRTCs and 1,000 of non-refundable expenditure-based credits which also meet the QTI definition.

The Filing Constituent Entity elects to apply the Substance-based Tax Incentive Safe Harbour. The Substance Cap for the Fiscal Year is 2,200.

Based on this limited information, what is the MNE Group's ETR in Jurisdiction X?

Answer in next ITB email alert!
